ROOT AND PLANT LIST

We guarantee our dahlia roots and plants to be true to name, healthy, and to reach you in good growing condition. Roots shipped anytime. Plants ready after May 1st. A deposit of 25 per cent will hold order until wanted.

Our green plants are all base cuttings from special selected stock, rooted in moderate heat, potted off in 3-inch pots, grown cool in the greenhouse until they are shifted to outside frames, this assures a strong stocky plant, full of pep and ready to grow.

You Can Pay More, But You Can Not Buy Better Plants Anywhere.

Free Stock—as my old customers know your orders will be filled most liberally.

We reserve the right to ship roots instead of plants; where it is more convenient to do so, however please do not order stipulating roots at plant prices.

All orders shipped prepaid, minimum order, \$2.00.

Inspector's Certificate Accompanies Each Shipment.
